Fox Valley Ghosthunters will be back at Big Al Capone's. Mark your calendars for Saturday, March 24 from 1 to 3 p.m., at Big Al Capone's in Pipe.

Craig from Fox Valley Ghost Hunters will be setting up his voice recorder and projector to show customers all the "ghostly" happenings they recorded during their overnight stay last October. He will be reviewing how the equipment works; how it tracks paranormal activity; and what they found in the building.

Radio station 107.1 will be having a live

remote and we invite all customers who have some "ghost" stories about this historic building to stop by and tell us your story.

Customers can talk about any sightings they have had from inside or outside of the building, there are many throughout the years.

Big Al Capones opens everyday at 11 a.m. Stop in for lunch and stay for the presentation.
